### Application / short description

Speed

[rpm]

Pressure

[MPa]

Inlet pressure

[MPa]

Outlet pressure

[MPa]

Direction of rotation

Position of the shaft

### Dimensions

Shaft diameter (d)

[mm]

Housing diameter (D)

[mm]

Housing depth (T)

[mm]

Discharge head (H)

[m]

Cooling/environment

[°C]

Lubrication/medium

### Media

Proportion of solid

[%]

Operating temperature

[°C]

Type

pH value

### Special features

Please submit us directly installation sketches, drawings, installation situation and possibly available samples.
